WHAT'S YOUR NEXT MOVE?

JOBZEBRA is an HR Service Company. We offer positions across multiple leadership levels in multiple domains.

While our Career Managers focus on understanding the Candidates' need for a job change, our Client Relation Manager interacts with our Clients, absorbing the dimensions of a requirement beyond the Job Description. As a result, we are in a position to offer the best opportunity to our candidates and the best resource to our Clients.

Premium Services

Senior Managers, CXOs, VPs, Directors & Business Heads

Account Managers at Jobzebra are trained to represent you in our networked corporate circles and scan the landscape for an interesting opportunity that befits your profile.
